Naljo is a special area, comparatively more than the Johto region and that has a lot in new Poká© mon and characters. After playing in the Mina's cart of him, he somehow extends control and ends up in the nalmo region. Remember that all the characters of Pokemon about 252 are part of the game. All you have to do is discover some Poká© mon and traps all 252 Poká© mon-available in the Nalmo Region. The current version is Beta Summer 2010 and is completely unfinished. Caper City has all kinds of Poká© mon, from Pokemon, is located at the Pokemon gyms. All regional coaches have some new Poká© mon, which can be challenging so that you compete with them. Find and collect all the badges in the area is the next step and the mission you have to complete. As these insignia contain all the secrets and powers, which makes the player can not solve all the pending problems. Battle System: While ensuring that all Pokés that has in the Pokedex, they can be used for battle with all enemies. Naljo is a region in developing development in the dream of instantaneous industrialization. It has many recreational facilities and areas for Poká© mon, so it is not surprising that everyone comes up here, from children to adults. While talking about Naljo's region, there are special pokemon characters in the game that can be trapped. Due to your GBC hack, the file is so small and easy to download and play. DayCare Center: The nursery is a building where you can deposit pokemon in free storage! Poká© mon remains in the day care indefinitely until you pick up your coach again. Some notable articles sold in Poké Mon Marts include: -pociones (Healthy 10hp) -Sight Potions (Healthy 20hp) -Hyper Potions (Healthy 50hp) -Max Revive, Max Ethers and other useful healing articles like Full Heals -Sana State for cure poká© mon of dreams paralysis, etc. However, errors in this hack do not affect playability or cause accidents, so I'm fine with them. The POKÁ© mon centers also offer free access to the Poká© mon market and the Poká© monberry, so you can buy useful articles and deposit poká© mon without having to pay for a room or be limited in any way. Some mysteries occurred in the unidentified region and end up in the nalmo region. There are trainers walking around who can challenge yourself to a battle, as well as other Poké corars spending the time inside that they will chat with you about several things related to Prismo Poká© mon. You can always find something interesting when you go for a walk! Poká© mon prism is the first game of poká© mon that I have played from start to finish from poká© mon gold and silver. Game File Information: Game Name: Pokemon Prism GBC Remake From: Pokemon Crystal Platform: GBC Language: English Version 0.94 Build 0237 Full View and Tour of Pokemon Prism GBC ROM: History begins from a region Unidentified where many constructions are being carried out and has many new features that make the game so incredible that you will be excited to have a new region in the game as in Pokemon Lightning Yellow Rom. After finding a lost lavitary, Prism must pick up the eight nalmo badges while he arranges everything that is wrong with this corrupt region. This is the story of Prisma, the son / daughter of Lance. Without if you have too many Pokémon when using the machines, the Pokémon will be healed at random. When you discover the area, you will come across different trainers who have their own pokemon list and all of them Have the best type of Pokemon on your list that have some strange behavior. Four Crafts Skills Areas of Side Scroll New Mini-Games All moves are new for all Pokémon. The story starts from an unidentified region and ends in the Naljo region. These Pokémon can be caught with ease and have some amazing skills that can do wonders for you. These rooms are also equipped with healing machines that can heal all your Pokemon to its maximum HP for free! There is no limit to the number of times you can use these machines, as long as they are available that day. But first you have to catch the larvitart. The Pokémon Center is the main focus of Oxalis City and you will spend most of your time here. Some amazing features in Pokemon Prism GBC ROM Download: New story and character. Pokémon can be verified by visiting the nursery and selecting Pokemon from your Pokémon team at the bottom of the screen. After collecting all the badges of the Naljo region, it is eight in number and can be used for many purposes. It's what all Pokémon masters dream of playing someday, a story of being a Pokemon coach who travels the earth with his friends who defeat the gym leaders one by one, while stopping the bad guys along the way and confronting the team's rocket at the end. . With a game like this (or any game that is not what you expected at all), there will always be unforeseen problems with it, from crashes to total gameplay accidents. Pokémon are automatically deposited here to heal after they faint in battle. Oxalis City: Oxalis City is a special Pokémon center. The design is very different from games like Pokemon X / Y, but you can still learn easily. Pick up all eight of Naljo's badges. The completion ³ Pokedex is one of the main tasks that can be completed if you give some ³ to these tasks. Oxalis City Pokemon Center: The Pokemon Prism Centers offer a ³ location for Pokemon. These pokemon are of the four generations, as they are special and also have special powers. Having all 252 four-generation Poká©mon are part of the game, the creator's name as Koolboyman has included so many new HMS and TMS features. Downloaded the ³ version of Pokemon Prism for GBC in English, available to all GBC lovers. Pokemon Marts are located within the Poká© Mall. The randomly brilliant efforts on Overworld's bright balls retain the captured ability of Pokemon Several Picture Update Debug Updates ³ to reset the clock in Start More New Animations. Enemies have all Special Pokemon on their list and make sure they look at it because they are worried about you, what Pokemon choose. New types: Fairy, gas and sound are some of the updates that make the game special. In Pokemon Prism, Pokemon does not exist in nature yet. Pokemon Lab was funded by several Pokemon entrepreneurs to promote Pokemon-related businesses on a global scale, in addition to helping to develop communities around the world to be more ³ through the training ³ the evolution ³ Pokemon: increase crop yield, home improvements, construction, etc. as the author ³ that, Coolboyman says "A new adventure of Poká© Mon for the color of GameBoy.
